

## Allan & Juanita Polegi

## In The Driver's Seat With The Polegi Family

Farming is in the blood of Allan Polegi, a third generation farmer who raises cattle and grows crops on a farm 45 kilometres northwest of Yorkton. The farm's land base encompasses the original 160 acres his grandfather purchased in the early 1900's.

Allan and his wife, Juanita, have three active children – Murray, Justine and Kaitlyn.

“We have put a lot of kilometres on the dozen or so cars and trucks we have purchased from Terry Ortynsky's Royal Ford over the years – ferrying our children to hockey, football, baseball and volleyball practices, not to mention skating and Ukrainian dance lessons,” says Allan.

It's a little easier now. Justine and Murray both have a driver's licence and Justine just bought her first vehicle. Where? From Terry Ortynsky's Royal Ford, of course.
